

Clear Springs Campground - Covid 19

Updated on July 1, 2021

1. No guest showing symptoms of the COVID 19 disease will be allowed entry onto property. The campground property and facilities are use at your own risk. If Clear Springs experiences an outbreak; we will close our facilities.
2. Guests and tenants should socially distance a minimum of 2 meters/6 feet apart from others. Families/cohort families that reside in the same household are exempt.
3. Guests and tenants must remain diligent in practicing social distancing, proper hand washing and cleaning to prevent infection spread while on our property.
4. Face masks and vaccines are encouraged and essential to stop virus transmission.
5. Outdoor groups or gatherings are allowed with recommended social distancing and face masks for non vaccinated persons.
6. Indoor gatherings are allowed with recommended social distancing and face masks for non vaccinated persons.
7. The showers and toilets are open with recommended social distancing, face masks for non vaccinated persons and to be mindful of occupancy numbers.
8. The kids play area is open. Children & pets must be supervised.
9. Guests must use all safety precautions when using the public water taps and sanitation taps and all other facilities on property.
10. NO guests inside campground office. All guests are to remain outside at a safe distance to register & speak to management or call 403-722-2428.

Guests found not following these rules put others at risk.
